

SAPROF & HCR-20 Version 3

Wednesday 4 and Thursday 5 March 2020

The Met Hotel, King Street, Leeds LS1 2HQ

9am Registration; 9.30am Welcome and Introduction; 4.30pm Close (both days)

HCR-20 tool is the world's leading Violence Risk Assessment instrument. It's a practical tool for the clinical assessment of risk of violence in the mentally disordered, in forensic and general adult psychiatric services. HCR-20 is designed to assist individual clinicians and multidisciplinary teams form structured, evidence based, individual risk management plans. SAPROF is a structured checklist designed for you to use alongside tools such as the HCR20v3. This two day workshop will familiarise you with both HCR20v3 and SAPROF tools, teaching you to use them in your clinical practice. This course is also suitable for you if you have already attended the previous HCR version training.

After you have attended this workshop you will be:

- More familiar with the basic principles of the assessment and management of the risk of violence and appreciate the benefits of protective factors in risk assessment, formulation and management.
- Competent in the use of the HCR 20 as a basis for conducting risk assessments in your clinical practice
- Able to formulate structured risk assessments and risk management plans
- Informed on the reasoning for using the SAPROF and able to use it in your clinical practice and research.

About our speaker:

Dr Kerry Hinsby is a consultant clinical and forensic psychologist with over 15 years' experience in all levels of hospital security, prison and the community. She provides expert witness reports to courts in criminal and child protection cases. Her current post involves working clinically with individuals who have offended and also have a diagnosis of mental illness or personality disorder. Her role includes therapy, supervision, consultation and mentorship. She works within and consults to multi-agency risk assessment, formulation and management processes such as MAPPA, Prevent and parole hearings. She is also trained by the authors of the SAPROF a risk assessment tool often used in conjunction with HCR.

Course Fees:

£385.00

All learning materials, lunch and refreshments included.

Manuals can also be purchased in advance—these are not included in the course fee:

HCR20v3 & SAPROF Manuals are an additional cost

Reservations:

Please complete the reservation form overleaf and post or scan to: Events Administrator, Andrew Sims Centre, 2150 Century Way, Thorpe Park, Leeds, LS15 8ZB. (Please note this is our correspondence address only.)

If you are paying by debit or credit card, why not BOOK ONLINE and receive a £10 discount on the advertised price?

Study Methods and Accreditation:

Lectures, small group work, group discussions, question and answer sessions, case studies, case directed discussions etc. This course is eligible for 12 CPD hours subject to your peer group approval.

This conference is suitable for:

Psychiatrists, mental health nurses, psychologists, occupational therapists, social workers, probation officers and other professionals involved in the management of mentally disordered adults who pose a risk of violence to others.
