

# Autism Diagnostic Interview (ADI-R)

*Led by Carol Stott from Beginning with A*

**Wednesday 14 - Friday 16 July 2021**

Virtual Event via Zoom

9am Registration, 9.30am Welcome and 4.45pm, Close *(All three days)*

The Autism Diagnostic Interview, Revised (ADI-R) is a structured interview used for diagnosing autism, planning treatment, and distinguishing autism from other developmental disorders. Used in research for decades, this comprehensive interview provides a thorough assessment of individuals suspected of having autism or other autism spectrum disorders. The ADI-R has proven highly useful for formal diagnosis as well as treatment and educational planning. This three-day course will train you in the use of the Autism Diagnostic Interview (ADI-R). On completion you will receive a certificate stating you are trained to use the ADI-R clinically in your day-to-day assessments.

This course aims to provide delegates with:

- Use the ADI R clinically in your day to day assessments
- Assess service users reliably through use of ADI R
- Know what to do next to become reliable in the ADI R for use in research or to train your team.

## Programme:

### Day 1:

Introduction to ADI-R and Familiarisation with instrument  
Demo full administration and coding discussion

### Day 2:

Live administration of ADI-R with volunteer  
Coding and consensus discussions

### Day 3:

Video demo and coding  
Bringing it all together: administration and coding

## About our speaker:

Dr Carol Stott is a Chartered Psychologist (CPsychol) and Chartered Scientist (CSci) and a member of the British Psychological Society. She has an MSc in epidemiology from the London School of Hygiene and Tropical Medicine and a PhD in the epidemiology of Specific Language Impairment from the University of Cambridge. Carol spent 13 years in the University of Cambridge Department of Psychiatry carrying out research into genotype-phenotype associations in developmental disorder and with the University of Cambridge Autism Research Centre (ARC) investigating the population frequency of Autism Spectrum Disorders (ASDs).

### HOW TO BOOK

If you are paying by debit or credit card, please BOOK ONLINE, otherwise please complete the reservation form and email it to [andrewsimscentre.lypft@nhs.net](mailto:andrewsimscentre.lypft@nhs.net). Please check individual courses for venue details.

### PAYMENT METHODS

We prefer to receive payment by credit card. If you would like us to invoice your organisation, a copy of your Trust's or organisation's official purchase order must be enclosed with this booking. **Payment must be received before the course date.** If payment is not received by the day of the course, you will be asked to guarantee your place with a personal credit card on the day. Leeds and York Partnership NHS Foundation Trust staff must provide a budget code and budget holders authorisation.

### ACCREDITATION

This course is eligible for **18 CPD hours** subject to your peer group approval.

### VIRTUAL EVENT

This event will be conducted virtually via Zoom, please ensure that you have the software downloaded and a free account created prior to the day of this course. You can sign up to Zoom [here](#). More information regarding Zoom and how to join the course will be emailed 2 weeks prior to the event.

### CONFIRMATION OF RESERVATIONS

All reservations will be confirmed immediately in writing. Further details including programme times and venue information, will be forwarded approximately 2 weeks prior to the event date. Please ensure you have provided an email address as all booking confirmations will take place by email.

### RESERVATION & CANCELLATION POLICY

Cancellations must be received in writing at least two weeks prior to the course date to be entitled to a refund, which will be subject to a 20% administration fee (minimum £20). We regret that cancellations received after this date cannot be refunded, and refunds cannot be made for failure to attend the event. However, a substitute delegate will be welcomed in your place at any time.
