2 Wharf Approach,
Leeds,

WALKING

If you are **walking** from the city centre direction, please follow the following directions:

From City Square, cross the road to be on the side of the train station. Turn right onto Bishopgate Street. Stay on the right hand side, walking under the railway arches, continue on past Granary Wharf Arches and turn right down Little Neville Street. Walk over the bridge with the DoubleTree by Hilton Hotel facing you once you walk through the apartment block. The average walking time from the station is a relaxed 7 minute walk.

Alternatively, when walking under the railway arches, take the first right after the newsagents into Granary Wharf Arches. You will notice signs for the DoubleTree by Hilton Hotel Leeds City Centre here. Walk along Granary Wharf Arches and over the metal bridge, which spans the River Aire. Turn left and exit into the plaza. The DoubleTree by Hilton Hotel Leeds City Centre is located diagonally to your right.

PLEASE NOTE: IF YOU ARRIVE BY TRAIN LATE IN THE EVENING the covered stairwell is shut, therefore please turn left out of the main station entrance (straight ahead from the ticket gates) on New Station Road. Continue walking towards the main road and cross at the first pedestrian crossing (this is a single lane one-way road). Turn immediately right and continue down towards the railway arches, continue on past Granary Wharf Arches, past the Hilton City Hotel, and turn right down Little Neville Street. Walk over the bridge with the DoubleTree by Hilton Hotel Leeds facing you once you walk through the apartment block. The average walking time from the station is a relaxed 7 minute walk. If it is very late at night you may wish to travel by taxi due to the isolation under the arches.

DRIVING

If you are **driving**, the entrance to the hotel parking is off Water Lane, LS11 5QN, on to Wharf approach, LS11 5WA. On wharf approach drive over the bridge and either turn outside the hotel or park under the arches.
